Local Builder Names New President

Dover, DE [December 30, 2024].

Regal Builders, an active residential and commercial construction company, recently announced Justin Olear's promotion to President.

"I am beyond confident that under Justin's leadership Regal Builders will continue to flourish as a well-respected leader in our industry," said Harry Miller III, Founder and President Emeritus of Regal Builders, Inc. "As VP of Operations Justin has led the efforts for all residential and commercial projects for a number of years and I know Regal Builders will continue to create innovative spaces and places with him at the helm."

Previously as VP of Operations and Construction Olear oversaw all development and construction efforts for Regal's 55+ Active Lifestyle community, Noble's Pond, in Dover DE. He is a Past-President of the Home Builders Association of Delaware (HBADE) and active member of the National Association of Homebuilders (NAHB). Justin earned his B.S. Degree in Architectural Studies & Construction, and his M.S. Degree in Construction Management from Philadelphia University.
